Request:

Dear sir or madam, I write to request some figures under the Freedom of Information Act.

I would like to know, for each of 2014, 2015, 2016, 2017, 2018 and 2019, the following:

Question 1. How many male patients were admitted to your hospitals having suffered a heart attack?

Question 2. How many female patients were admitted to your hospitals having suffered a heart attack?

Question 3. How many of those male patients subsequently passed away as the result of that heart attack?

Question 4. How many of those female patients subsequently passed away as the result of that heart attack?

Answer: East London NHS Foundation Trust provides Mental Health and Community Services. We therefore do not believe this FOI is relevant to us.
