**Request:**

**Dear Sir/Madam,**

**I'm writing to request some information under the Freedom of Information Act (2000).**

**Could you please provide me with the following information:**

**For the individual financial years 2012/13 through to 2019/2020 inclusive, how much was spent by your NHS Trust on legal costs for coroner's inquests.**

**This includes representation, preparation and counsel for staff appearing at inquests, as well as the money paid to legal firms for their time on inquest cases.**

**Could you provide this in an spreadsheet with the following cells:**

<b>Year</b>	<b>2012/13</b>	<b>2013/14</b>	<b>2014/15</b>	<b>2015/16</b>	<b>2016/17</b>	<b>2017/2018</b>	<b>2018/2019</b>	<b>2019/20</b>
<b>Cost</b>								

**Answer:** The Trust has reviewed your request for information under the Freedom of Information Act 2000. We do not record this information in a specific field on our systems. In order to answer your question, staff would need to review each inquest the Trust has been notified of, establish if attendance was required and of those, whether the Trust had legal representation. The Trust would then need to establish costs for those inquests.

Therefore, the Trust is unable to comply with this particular part of your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.

If there is a specific time period you require information for, the Trust may be able to provide this.
