Our reference: FOI DA3658

I am responding to your request for information received 8 January 2021. This has been treated as a request under the Freedom of Information Act 2000.

When an organisation receives a request for information under the Freedom of Information Act, it is allowed under the Act to apply a blanket exemption to this where it has concluded that providing a response would take in excess of eighteen hours. When the cost of compliance and extracting information would exceed eighteen hours, a cost limit of £450 can be applied. This is explained in Section 12 of the Freedom of Information Act 2000 and is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to eighteen hours work.

Having reviewed your request, the Trust has noted that it would not be able to all the information requested within the eighteen hours specified in the Freedom of Information Act 2000.

In order to assist you with your request, I have advised below the timing each question would take in order to assist you to refine your request. If you wish to refine your request to comply with the 18 hour time limit, please do get in touch

I am now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact me on the contact details above if you have any further queries.

Yours sincerely,

Keshia Harvey
Information Governance Manager

There should be a maximum of 18 unique “job titles” in the tables above; please use the template below as per the example given at the bottom.

Answer: The Trust has reviewed your request for information under the Freedom of Information Act 2000. In order to collate this information, staff would have to review and sort each invoice that has been received to be able to sort them. For invoices received since 1 April 2020 to date, this would take 264 hours.

Therefore, the Trust is unable to comply with this particular part of your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.

If you wanted to refine your request regarding the timescale of invoices, we may be able to respond.

Question 4. Has the Trust set maximum hourly rates for agency nurses and, if so, what is the maximum hourly rate for each of the job titles you’ve listed in response to question 1.

Answer: This question could be responded to within the timeframe.
