**Request:**

**Suicide prevention action plan and the outputs of this for Newham, particularly the Stratford area.**

**This is due to a significant increase in the number of vulnerable adults presenting at my station (Stratford International - High Speed station) and either completing suicide/trespass, attempting suicide/trespass or generally presenting in a ill mental health state. Many of these individuals are then detained under section 136 by the BTP. However this is not in line with historical trends, so I am keen to see what is being done in the area.**

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

*Any person making a request for information to a public authority is entitled—*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

Although East London NHS Foundation Trust provides information to assist with the action plan, the Trust does not own the plan. It is not held by the Trust and therefore not disclosable.

Please redirect your request to London Borough of Newham:
