Question 3. How many staff work for ELFT?

Answer: 6337 staff work for East London NHS Foundation Trust.

Question 4. How many staff have died of covid-19 (having no other illnesses present in their bodies at the time), the racial breakdown of those who died and their ages to date?

Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.

Although the Trust is aware when a death in service occurs, the reason for death is not required or given. This information is therefore not held so we regret we are unable to respond to this question.

Question 5. How many staff have died WITH covid-19 who had other sicknesses (co-morbidities at the time), the racial breakdown of those who died and their ages to date?

Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him.*

Although the Trust is aware when a death in service occurs, the reason for death is not required or given. This information is therefore not held so we regret we are unable to respond to this question.

Question 6. How many staff have received what a 'vaccine' treatment? Please advise which the names of the suppliers of the 'vaccine' used?

Answer: 5,229 staff members have self-reported to have received the first dose and 4,865 self-reported to have received the second dose.

It is not mandatory for staff to declare which vaccine they have received for Trust records therefore we are unable to provide a breakdown by vaccine type.

Question 7. How many staff have had an adverse reaction (within 1 month) following receipt of the 'vaccine'?

Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him.*

The Trust does not hold this information and therefore, it is not disclosable.

Question 8. How many 'vaccines' have been delivered to the community?

Answer: As of 21 November 2021, the Trust has administered 161,093 vaccines. Please note that this includes staff and those in the community.

Question 9. How many people in the community have had adverse reaction (within 1 month) following receipt of the 'vaccine'?

Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him.*

The Trust does not hold this information and therefore, it is not disclosable.
