Request:

Dear Sir/Madam

Please see the request for information below as per the FOIA:

Subject: Insourcing, Outsourcing and Hospitals own Waiting List initiatives

Question 1. How much has been spent and the number of patients seen via Insourcing, Outsourcing and the Hospitals own Waiting List initiatives in the last 3 years. In the most recent FY in the 12 months ending March 2021

With regards to the request further clarification below:

- **Insourcing we would be looking at the definition being described as an external organisation which works within a Trust to provide services to NHS Patients.**
- **Outsourcing – using an external provider and facilities on behalf of the NHS**

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

Any person making a request for information to a public authority is entitled—

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

East London NHS Foundation Trust is a mental health and community health trust and therefore does not hold the information requested.
