Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

Any person making a request for information to a public authority is entitled—

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
(b) if that is the case, to have that information communicated to him.

East London NHS Foundation Trust is a mental health and community health trust and we do not conduct liquid biopsies on cancer patients. The information is not held and therefore not disclosable.
