Request:

Hello, I am writing to you to make a request to you under the Freedom of Information Act.

The information I am looking to obtain - In your NHS trust do you have a board/exec level representative responsible for mental health/wellbeing who is solely dedicated to improving staff mental health and wellbeing?

Answer: Improving the experience of staff is one of the Trust's priorities, this includes wellbeing. At ELFT we do not have one Board/Executive Director lead who is solely responsible for mental health and wellbeing. However, staff experience and wellbeing sits in the Executive Director of People & Culture's portfolio, and our Chief Executive is the Wellbeing Guardian.
