Request:

Dear FOI Team,

Please would it be possible for you to share a copy of your trusts / hospitals within your trust adult elective patient pre-operative nil by mouth (or fasting or fluids and feeding) guideline(s) / policy?

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.

East London NHS Foundation Trust is a mental health and community health trust and therefore does not hold the information requested.
