**Request:**

**Hello, This is a request for information under the Freedom of Information Act 2000.**

**I would like to request the following information:**

**Question 1. For each of the years 2010 and 2020, how many investigations under section 47 of the Children Act 1989 involved any of these terms in the referral: Fabricated or Induced Illness or FII Munchausen Syndrome by Proxy or MSbP Perplexing Presentation or PP Factitious Disorder Imposed on Another or FDloA Snomed Code System Concept Code: 95637005**

**Question 2. How many of those investigations led to a child protection plan, and how many resulted in no further action being taken?**

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

*Any person making a request for information to a public authority is entitled—*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

East London NHS Foundation Trust is a mental health and community health trust and does not conduct investigations under section 47 of the Children Act 1989. These are conducted by the Local Authority. The Trust therefore does not hold the information requested.
