**Request:**

**Question 1. The number of patients who were brought to A&E by the ambulance service/paramedics with a presenting complaint related to mental health, each year, from 2010 to 2020.**

**Answer:** The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the FOI Act states:

*Any person making a request for information to a public authority is entitled—*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

East London NHS Foundation Trust is a mental health and community health trust and does not manage an Accident & Emergency/the Emergency Department. The information is therefore not held as requested.
