Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.

East London NHS Foundation Trust is a mental and community health trust and does not manage theatres. The Trust does not hold the information requested and it is therefore not disclosable.
