**Request:**

**Dear East London NHS Foundation Trust,**

**I would like to please request the following information with regards to notifiable diseases:**

**Question 1: Can you please provide the incidence of Vancomycin-resistant Enterococci (VRE) in your trust over the previous 12 months?**

**Answer:** Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—*

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

East London NHS Foundation Trust is a mental and community health trust. The Trust does not hold the information requested and it is therefore not disclosable.
