Request:

In November 2017 Bedford Health Village (RWK1R) responded to an information request reporting that there was one ward providing mental health rehabilitation services:

Ward name: Cedar House

Ward type: Long stay rehabilitation

Number of beds: 16

Number of occupied beds: 15

Question 1. It would be greatly appreciated if you could confirm whether Cedar House is still open and whether the ward type and number of beds are still accurate.

Answer: Yes, Cedar House is still open and the ward type and number of beds remains the same.

Question 2. And if the ward is still open, could we also know how many of the beds on the ward are occupied presently?

Answer: 15.

Question 3. And can I also check that this is the only mental health rehabilitation ward provided by Bedford Health Village?

Answer: Yes, this is the only mental health rehabilitation ward provided by Bedford Health Village.
