Request:

I am writing to ask about intravenous anaesthetic agent - Propofol - used across your Trust. In particular, I would like to know the total volume of propofol used/issued PER YEAR between 2006 and 2018 by intensive care unit (ICU) and operating theatre (OT) as shown below:

- Total (annual) volume of propofol used/issued in ICU units PER YEAR for 2006-2018 (in millilitres or litres).**
- Total (annual) volume of propofol used/issued in OT units PER YEAR for 2006-2018 (in millilitres or litres).**

If it is easier to provide another unit of measure (for example, vial), please provide details of the products (incl. pack size and mL per vial) so that I can calculate the volume in millilitres/litres.

In the case of exceeding the statutory time limits as set out in the FOI Act, I am happy to receive the information for the last couple of years i.e. 2016-2018.

Answer:

The East London NHS Foundation Trust provides Mental Health and Community Services. We are not an Acute Trust and believe your request for information does not apply to us.
