**Request:**

**Please could you tell me, the total number of policies your Trust has.**

**Answer:**

The Trust has 244 policies held corporately, please note this does not include operational policies and procedures which are held locally.

To provide these operational policies and procedures which are held locally, we would need to contact each team to retrieve this information. The cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.
