To answer questions 2 - 6 questions, we would need to review each patient's record to retrieve this information to find out where our patients were discharged to therefore, the Trust is unable to comply with your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.
