3. If yes, please supply the following information (I can forward a spreadsheet to help you collate the data):

a) How many public health funerals has your NHS Trust carried out each year for these financial years: 2014/15, 2015/16, 2016/17, 2017/18, 2018/2019?

e) Please state, out of the above figures, how many of those people were cremated, how many were buried in a grave of their own and how many were buried in a shared or communal grave (if that's applicable).

f) Please state, the net cost to the NHS Trust for all financial years: 2014/15, 2015/16, 2016/17, 2017/18, 2018/2019?

Answer:

To answer these questions we would need to review each deceased patient's record to retrieve this information therefore, the Trust is unable to comply with your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.
