Request:

1. “Since 01 January 2017, please specify the number of individual cases where the Court has had to intervene in the treatment of a critically ill child, when there has been a difference of opinion between parents and doctors, over the course of treatment for that child?”

Please input your response in the table below. An example has been provided to guide you:

Name of NHS Trust	Number of individual cases which have been referred to the Court (state the number)	Additional information
East London NHS Foundation Trust	0	Since 01 January 2017, there have been zero cases where the Court has had to intervene in the treatment of a critically ill child, when there has been a difference of opinion between parents and doctors, over the course of treatment for that child.

Answer:

Please see the Trust’s response incorporated in the table.
