Request:

Question 1. How much money did your hospital trust make from food and drink vending machines on trust sites in 2018? What is the same figure for 2017, 2016 and 2015 please?

Answer: East London NHS Foundation Trust did not make any money because it outsources food services and this includes all vending machines. At locations where the Trust is a tenant all food service costs are consolidated within the monthly service charges.
