CCG	CCG practice registered population (Nov-17 to Oct-18)	Practices
Bedfordshire CCG	480,292	51
Luton CCG	234,034	28
City & Hackney CCG	319,029	44
Newham CCG	400,515	54
Tower Hamlets CCG	324,834	36
Total	1,758,704	213

Note: From the NHS England CCG Allocations Formula, 2019/20-2023/24. Practice populations include any patient who is registered with a practice during the course of the census period, in this case November 2017 to October 2018, and therefore include patients who have newly registered and who have left the practice in year. https://www.england.nhs.uk/publication/technical-guide-to-ccg-allocations-2019-20-to-2023-24-spreadsheet-files-for-ccg-allocations-2019-20-to-2023-24/

Weighted population

CCG	CCG Normalised Mental Health Weighted Population (2019/20)	MH Index
Bedfordshire CCG	397,192	0.82
Luton CCG	247,420	1.05
City & Hackney CCG	503,812	1.56
Newham CCG	504,304	1.24
Tower Hamlets CCG	423,370	1.28

Note: From the NHS England CCG Allocations Formula, 2019/20-2023/24. "Normalised weighted population" shows mental health need by CCG and is calculated using a formula that takes into account a range of explanatory variables, see here for further details: https://www.england.nhs.uk/wp-content/uploads/2019/08/allocations-2019-20-technical-guide-to-formulae-v1.1.pdf

CCG	CCG Community Services Weighted Population (2019/20)	CH Index
Bedfordshire CCG	421,142	0.87
Luton CCG	188,681	0.87
City & Hackney CCG	214,585	0.66
Newham CCG	245,142	0.60
Tower Hamlets CCG	200,506	0.61

Note: From the NHS England CCG Allocations Formula, 2019/20-2023/24. "Normalised weighted population" shows community service need by CCG and is calculated using a formula that takes into account a range of explanatory variables, see here for further details: https://www.england.nhs.uk/wp-content/uploads/2019/08/allocations-2019-20-technical-guide-to-formulae-v1.1.pdf

We care   We respect   We are inclusive
