

**Item 7**

**From:** Norbert Lieckfeldt Corporate  
Governance Manager

**To:** Council of Governors

**Date:** 11 July 2017

**Subject:** Site Visits 2019/20

---

**1.0 Purpose of the Report**

1.1 To update the Council of Governors on the planned site visits for 2019/20.

**2.0 Background**

2.1 Governors decided as part of their first QI project that they, rather than the Membership Office, will set the schedule for site visits in the Trust.

2.2 Site visits are part of the Training and Development Programme for Governors. They are not inspections but opportunities for further learning about the Trust's services.

2.3 At the previous Council Meeting (May 2019) Governors identified a variety of possible sites and services for site visits.

2.4 The Communications and Engagement Committee held a ballot for preferred options, bearing in mind the need to balance mental and community health services, London and Luton/Bedfordshire services as well as not overburdening services with site visits from Governors in addition to already planned NED visits

**3.0 Planned Site Visits**

3.1 The Communications and Engagement Committee at their previous meeting agreed the following site visits:

3.1.1 Community Health Services

3.1.2 Coborn In-Patient Centre for Adolescent Mental Health

3.1.3 Crisis Café

3.1.4 Inpatient Ward Visit

3.1.5 Mental Health School Support

3.1.6 Perinatal Services

3.2 The Membership Office will set out a visit plan from September 2019.

**4.0 Action being requested**

4.1 The Council is asked to **RECEIVE** and **NOTE** the report.
