Question 5: Following the same breakdown of staff groups in Question 3, how many Off-framework shifts have been unfilled between September 2021 – January 2022?

Answer: Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
- (b) if that is the case, to have that information communicated to him.

East London NHS Foundation Trust does not record how many off-framework shifts have been unfilled and therefore cannot respond to this question.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
