**Request:**

**Question 4: ICT Capital Programme/budget- A document that shows financials budget on current and future projects.**

**Answer:** The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 31(1)(a) of the FOI Act states:

31(1) Information which is not exempt information by virtue of section 30 is exempt information if its disclosure under this Act would, or would be likely to, prejudice  
(a) the prevention or detection of crime,

We believe that should we provide a breakdown of the Trust's ICT Capital Programme / budget, this could expose perceived weaknesses within the Trusts digital structure and therefore compromise the Trust's digital security. For this reason an exemption has been applied.

We can however provide a total figure for the ICT Capital Programme / budget for current and future projects which is £3,055,000.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
