Request:

Question 1: Please provide the number of ELFT employees who did not have recorded a Covid-19 pass by 03/02/2022

Answer: 2666.

It should be noted that this is unlikely to be an accurate reflection of the exact number of staff who were unvaccinated. This is because the Trust only captures numbers of staff who have been vaccinated through the Trust or if staff have self-declared their vaccination to the Trust. Therefore, this figure may include staff who were vaccinated through other means and have not declared their vaccination to the Trust.

It should also be noted that staff vaccination was not mandatory at this time, although the Trust strongly encourages all staff to receive vaccinations.
