Request:

Question 1: Please can you tell me the number of your patients that have committed, or who are suspected of committing, a homicide by date, for each of the years 2018- 2021 inclusive?

By homicide I mean murder, manslaughter, infanticide, or causing death by dangerous driving.

By patient I mean both community and in-patients who are either current patients or who have had contact with the trust within six months of the offence.

By suspected of committing a homicide I mean charged by the Police or found unfit to plead where legal proceedings have not yet been completed, or, where a patient has taken their own life after apparently killing someone else.

Answer:

| Year | Homicide Figures |
|------------------|-------------------------|
| 2018/2019 | 1 |
| 2019/2020 | 4 |
| 2020/2021 | 1 |
