**Request:**

**Question 1: We would like to know the numbers of staff who Work from Home for all or part of their working hours and receive the higher level of inner London Allowance**

**Answer:** There is no central record of work from home arrangements as flexibility is agreed locally between employees and team leaders so we would not be able to respond to a question asked in this way.

We do not offer 100% home working contracts, therefore all staff have a work base that they contracted to attend regularly and this work base dictates that individual's High Cost Area supplement.
