**Our reference: FOI DA4256**

I am responding to your request for information received **28<sup>th</sup> June 2022**. I am sorry for the delay in responding to your request. This has been treated as a request under the Freedom of Information Act 2000.

When an organisation receives a request for information under the Freedom of Information Act, it is allowed under the Act to apply a blanket exemption to this where it has concluded that providing a response would take in excess of eighteen hours. When the cost of compliance and extracting information would exceed eighteen hours, a cost limit of £450 can be applied. This is explained in Section 12 of the Freedom of Information Act 2000 and is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to eighteen hours work.

Having reviewed your request, the Trust has noted that it would not be able to provide all the information requested within the eighteen hours specified in the Freedom of Information Act 2000.

In order to assist you with your request, I have advised below the timing each question would take in order to assist you to refine your request. If you wish to refine your request to comply with the eighteen hour time limit, please do get in touch.

I am now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact me on the contact details above if you have any further queries.

Yours sincerely,

Lara Cousens

**Request:**

**Question 1: The total number individuals sectioned under Section 2 of the Mental Health Act in 2019, 2020 and 2021, where the address this took place or the address of the individual was recorded as: MK40 1HG**

**Answer:** Section 12(1) of the Freedom of Information Act 2000 states:

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit

When the Trust identifies that the request is likely to take over 18 hours, we are not obliged to provide information for any part of the request. We are required to provide advice on how you may refine your request to information that can be collated within the 18 hour timeframe. You may then choose what information you would like to receive and confirm the same to us, upon which we will process your request.

If any information being requested is already easily accessible via our website we will advise and direct you with a web link.

The Trust has reviewed your request for information and in order to collate this information, staff would have to review all assessments carried out as we do not centrally record where assessments were completed. Based on an estimate of five minutes to review each assessment to establish where it was completed, it would take approximately 148 hours.

Bedfordshire Approved Mental Health Professionals (AMHP) complete approximately 1770 assessments a year, therefore around 140 assessments a month. We can provide one months' worth of figures to you which would take approximately 12 hours to collate the information for. A further months' worth would likely take over 18 hours. If you would like to refine your request to fit within the 18 hour limit, please confirm which month and year you would like the information for.

Therefore, the Trust is unable to comply with this particular part of your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
