Request: Would it be possible to request the following information

Question 1: Current breathing circuit supplier

Question 2: Procurement contacts for breathing circuits

Answer: The Trust has reviewed questions 1 and 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust does not use breathing circuits and is therefore unable to provide a response.
