

Simulation Training Coproduction Event

In collaboration with Playing ON theatre company, **Academy of Lived Experience** is inviting you (ELFT Service Users and Carers) to an event to explore and help us cocreate a Simulation Training package to enable you, as Lived Experience Experts, to fully participate in the Simulations.

Simulation

Simulation is a technique for practice and learning, to replace and amplify real experiences with guided ones, often "immersive" in nature, that evoke or replicate substantial aspects of the real world in a fully interactive fashion. Simulation-based learning can be the way to develop health professionals' knowledge, skills, and attitudes.

Playing ON Theatre Company

Playing ON, founded in 2010, is a London based theatre company bringing together experts by experience and experts by profession through innovative performances, workshops and training

Opportunities

- service users and carers to develop, and gain skills and confidence for future opportunities like employment and education.
- coproduction and engagement in developing the bespoke Simulation training package
- participate and act in the Simulations!

When: Thursday 13th October 2022

Time: 12:00-15:00
