Request:

Question 1: Please can you provide under the Freedom of Information Act a structure chart for the Acute Trust, inclusive of all Human resources 'Heads of Service,' 'Assistant Directors' and Directors with the full job titles and the names of individuals who hold these positions.

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and not Acute, however please see link below for our Trust Directors.
