Request: Could you please provide me with some information on what Respiratory Diagnostic Equipment currently in use across East London NHS Foundation.
I am particularly interested in the equipment in the following departments or similar departments....

Question 1: Cardio Respiratory

Question 2: Pulmonary Function (Lung function)

Question 3: Paediatrics

Question 4: Chest Clinic

Question 5: Respiratory Department

Question 6: Occupational Health.

Answer: The Trust has reviewed questions 1-6 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not use Respiratory Diagnostic Equipment described in this request. We are therefore unable to provide a response.

Question 7: Primary Care

East London NHS Foundation Trust does offer some Primary Care services. Our Primary Care services do not use the Respiratory Diagnostic Equipment described in this request. We are therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
