<p>6.</p>	<p>Guardian activity: Exception Reports, Work Schedule Reviews, Guardian Fund – and disbursement Sizeable fund needs to be spent. 21,000 at the last count. Needs to be spent before April 2023. Has to be trainee derived. Something all locality geography and includes every type and grade/level of trainees. No requests have gone back to [Redacted]</p>		

	<p>Core trainees Forensics – open days where trainees can attend other specialities e.g. Natal Care. Funding could be open for that. Higher trainee & Core Trainee reps meeting each and collaborating. Collaboration days/ social events is a good idea. Newly introduced trainees are coming could help them settle in. Spending around 500 in trainee’s local area to improve On-call rooms to make rest area better. Working with Marius additional expenses to extra courses and study leave purposes. AD-HOC specialist courses could be difficult. Adam BMA there are other trusts that have done and is finding examples. Forensics booking trips to Old Bailey – helpful to have discretionary to help with costs for trainees. Being creative and use the money so it is not lost in the next April turnover.</p> <p>Creating a Junior Doctor working group to help make suggestions and decide what to spend the money to best benefit doctors.</p> <p>If any Junior Doctor is interested in joining the working group please email: mohamed.farah8@nhs.net.</p>	<p>Trainees that want to create a working group in order to decide how this money is spent</p>	<p>[REDACTED]</p>
