

CHILDREN'S MENTAL HEALTH WEEK

Throughout **Children's Mental Health Week**, professionals across Newham are providing free training to school staff. We will also be sending out resources and information throughout the week - keep an eye out for more details!

**Feb
8th**

Self-Harm and Suicide Prevention

We are offering this workshop on two separate dates to support teaching staff and other professionals directly supporting children, to understand and work with people who are at risk of self-harm and suicide

**Feb
10th**

- February 8th - [in person](#)
- February 10th - [online](#) (with a presentation from Papyrus)

Please click one of the dates on the left for more details

Understanding and responding to self-harm in primary school children

This training for primary school education professionals will help you to develop an understanding of self-harm presentations in primary school aged children, and the functions behind them, as well as explore staff anxieties and good practice in risk assessments and safety planning.

This is an [online](#) event. Please click the date on the right for more details

**Feb
8th**

For more details about these events and others, please [click here](#) to visit our event's page or scan the QR code
