Request: Under the FOI Act please provide me with the information below.

The number of inpatients who are currently medically fit to leave hospital in your area, but still reside there.

Please provide this as a series of data points for the last calendar year and the year to date, broken down by day. For each day, please break the data into further categories which detail the reason behind the delayed discharge.

I am aware that some of the data showing the total number of delayed transfers of care is published here: <https://www.england.nhs.uk/statistics/statistical-work-areas/discharge-delays-acute-data/> however I am looking for further information relating to the cause of the discharge delay.

For example, the Welsh Government also used to publish a detailed breakdown of reasons behind delayed discharge - <https://statswales.gov.wales/Catalogue/Health-and-Social-Care/NHS-Performance/Delayed-Transfers-of-Care>

Please provide this data in a spreadsheet format such as excel or a .csv file, with columns for the date, total number of patients and reasons for delay.

Answer: Please see appendix attached.
