

Section 1: Commissioning and care planning

<p>1. (a) Within the past year, have you reviewed or found opportunities for improvement in pathways and care for headache and migraine?</p>	<p>1. (b) (i) If yes, what did this review find?</p>
<p>The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.</p> <p>Section 1(1) of the Freedom of Information Act 2000 states:</p> <p>Any person making a request for information to a public authority is entitled—</p> <p>(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and</p> <p>(b) if that is the case, to have that information communicated to them.</p> <p>East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.</p>	<p>Not Applicable</p>

<p>1. (b) (ii) If no, what has prevented this so far?</p>	<p>1. (c) Do you have any plans to implement the findings of the optimum clinical pathway for adults for Headache & facial pain published by the National Neurosciences Advisory Group (NNAG) in February 2023?</p>
<p>Not Applicable</p>	<p>The Trust has reviewed question 1c of your request for information under the Freedom of Information Act (FOI) 2000.</p> <p>Section 1(1) of the Freedom of Information Act 2000 states:</p> <p>Any person making a request for information to a public authority is entitled—</p> <p>(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and</p> <p>(b) if that is the case, to have that information communicated to them.</p> <p>East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.</p>

2. (a) Have you reviewed the migraine needs of your local population (e.g. numbers of people living with migraine who are diagnosed and not yet diagnosed) and planned services to meet these needs (e.g. by offering opportunities for training in migraine management to GPs, as well as adequate access to secondary and tertiary specialists)

The Trust has reviewed question 2a of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

2. (b) If not, are there plans to do so?

The Trust has reviewed question 2b of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

Section 2: Specialist headache clinics

3. (a) Do you have a specialist headache clinic in your Trust?

The Trust has reviewed question 3a of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

<p>3. (b) (i) If yes, please give details.</p>	<p>3. (b) (ii) If no, please give details of the clinic you would refer out to.</p>

-----------------------	-----------------------

4. (a) How many people did you support through your specialist headache clinics in 2021?

The Trust has reviewed question 4 of your request for information under the Freedom of Information Act (FOI) 2000. Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

4. (b) How many people did you support through your specialist headache clinics in 2022?

The Trust has reviewed question 4b of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

5. What is the average waiting time from GP referral to first appointment at the specialist headache clinics in your Trust (current or for when you last had data)?

The Trust has reviewed question 5 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust does not record the information requested and is therefore unable to provide a response.

6. How many full time equivalent (FTE) headache specialist doctors are employed by your Trust (in secondary care or GPs with an extended role)?	7. How many FTE headache specialist nurses are employed by your Trust?
We do not have any headache specialist nurses or doctors within the Trust	We do not have any headache specialist nurses or doctors within the Trust

8. (a) Do you have plans in 2023/24 to increase headache specialist services?

The Trust has reviewed question 8a of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

Section 3: Access to Calcitonin	
8. (b) If yes, please give details.	9. (a) Can eligible patients currently access Calcitonin Gene-Related Peptide (CGRP) medications through your Board/Trust area?
Not Applicable	Not on formulary, the Trust has had no request for it.

Gene-Related Peptide (CGRP) medication

9. (b) (i) If yes, how many people are accessing CGRP medication through your Board/Trust area?

9. (b) (ii) If yes, which of the following CGRP medications can they access:

**Ajovy/fremanezumab,
Emgality/galcanezumab,
Vyepiti/eptinezumab, or
Aimovig/erenumab.**

Not Applicable

Not Applicable

9. (b) (iii) If yes, what is the current waiting time to access a prescribing specialist?	9. (b) (iv) If yes, is the administration of CGRP treatments monitored by a headache specialist?
Not Applicable	Not Applicable

<p>9. (b) (v) If yes, is the administration of CGRP treatments subject to any additional restrictions or criteria?</p>	<p>9. (c) If no, do you refer and fund it out of area? Please give details.</p>
---	--

<p>Not Applicable</p>	<p>There has not been a request for this drug by any of the consultants or clinical teams for any ELFT patients.</p>
-----------------------	--

Section 4: Training

10. (a) Do you have any education or training programmes with GPs or pharmacists in your area on migraine? (E.g. regarding GP/pharmacy education, patient management in the community, patient information or referral pathways)

10. (b) If yes, or if any are planned, please give details.

The Trust has reviewed question 10a of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are

Not Applicable

10. (c) If no, please explain any reasons (e.g. budgets / other priorities / other organisations' responsibility).

Not Applicable

Section 5: Inequalities

11. (a) Are you aware of local inequalities of access to headache specialist services amongst any groups (e.g. by gender, ethnicity, disability, socio-economic groups)?

The Trust has reviewed question 11a of your request for information under the Freedom of Information Act (FOI) 2000. Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

11. (b) If yes, please give details of the inequalities and any work you are doing or planning to address this.

The Trust has reviewed question 11b of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

Any person making a request for information to a public authority is entitled—

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to them.

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.
