Request: Hello FOI Team,

I would be grateful if you could, under the Freedom of Information Legislation, provide the answer to the following questions:

Question 1. What software does your Trust use for:

Question 1a: Cleanliness audits

Answer: Inovise/ServiceTrak.

Question 1b: Estates audits

Answer: Not applicable.

Question 1c: High Impact Interventions

Answer: Not applicable.

Question 1d: Surgical site surveillance

Answer: The Trust has reviewed question 1d of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide the services described in this request. We are therefore unable to provide a response.

Question 2: How much was invested in the software?

Answer: Total spend for 2022 was £6,480 and 2023 was £12,876.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
