

Financial Year	Question 1: How many referrals to CAMHS and/or CYPMHS did you receive?	Question 2a: How many were refused support by CAMHS / CYMPHS? Clarification : By “refused support”, we mean those who were not given support.	Question 2b: How many have a closure date falling within this period? If possible, please please split such information by closure reason. Clarification: By Closure any time a referral was closed by the trust without treatment being given, as well as times treatment was given.	Question 2c: If possible, please please split such information by closure reason.	Question 2d: How many have a rejection date within this period? Clarification: By rejection, we mean any time a referral was closed by the trust without treatment being given. Closure would include that, as well as times treatment was given.
2018/19	10,718	1,235	95	Patient moved out of the area - 15 Patient non-attendance - 80	1,235
2019/20	12,472	1,106	89	Patient moved out of the area - 17 Patient non-attendance - 72	1,106
