21 June 2023

Our reference: FOI DA4736

I am responding to your request for information received 10 May 2023. I am sorry for the delay in responding to your request. This has been treated as a request under the Freedom of Information Act 2000.

I am now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact me on the contact details above if you have any further queries.

Yours sincerely,

Nimita Parmar
Information Rights Coordinator

If you are dissatisfied with the Trust's response to your FOIA request then you should contact us and we will arrange for an internal review of this decision.

If you remain dissatisfied with the decision following our response to your complaint, you may write to the Information Commissioner for a decision under Section 50 of the Freedom of Information Act 2000. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

Tel: 0303 123 1113

Please note that the data supplied is not allowed to be re-used and/or published without the explicit consent of East London NHS Foundation Trust. Please contact the signatory to request permission if this is your intention

We promise to work together creatively to: learn
'what matters' to everyone, achieve a better quality
of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive: Paul Calaminus
Chair: Eileen Taylor

Request: Under the freedom of information act, I would like to have these questions answered:

Question 1: How many cases of total adult patients with eating disorders have been referred to your eating disorder services every calendar year from 2018 to 2022?

Answer: 2018: 168 patients.
2019: 229 patients.
2022: 319 patients.
2021: 295 patients.
2020: 246 patients.

Question 2: a) I would like to know the average waiting time (in days) for adult patients between referral and treatment for non-urgent routine eating disorder treatment after being referred from CAMHS to your adult eating disorder services for each calendar year from 2018 to 2022?

Answer: 2018: 21 days.
2019: 0
2020: No referrals from CAMHS so waiting time could not be calculated.
2021: No referrals from CAMHS so waiting time could not be calculated.
2022: No referrals from CAMHS so waiting time could not be calculated.

b) I would like to know the longest maximum wait time (in days) for adult patients between referral and treatment for non-urgent routine eating disorder treatment who were referred from CAMHS to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: 21 days.
2019: 0
2020: No referrals from CAMHS so waiting time could not be calculated.
2021: No referrals from CAMHS so waiting time could not be calculated.
2022: No referrals from CAMHS so waiting time could not be calculated.

Question 3: a) I would like to know the average waiting time (in days) for an adult patient between referral and treatment for urgent eating disorder treatment who were referred from CAMHS to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: No records.
2019: No records.
2020: No records.
2021: No records.
2022: No records.

b) I would like to know the longest maximum wait time (in days) for adult patients between referral and treatment for urgent eating disorder treatment who were referred from CAMHS to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: No records.
2019: No records.
2020: No records.
2021: No records.
2022: No records.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive

Chief Executive: Paul Calaminus
Chair: Eileen Taylor

Questions 4: a) I would like to know the average waiting time (in days) for adult patients between referral and treatment for non-urgent routine eating disorder treatment after being referred from a GP service to your adult eating disorder services? I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: 50 days.
2019: 60 days
2020: 108 days.
2021: 99 days.
2022: 48 days.

b) I would like to know the longest maximum wait time (in days) for adult patients between referral and treatment for a non-urgent routine eating disorder treatment who were referred from a GP service to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: 118 days.
2019: 152 days.
2020: 731 days.
2021: 483 days.
2022: 255 days.

Question 5: a) I would like to know the average waiting time (in days) for an adult patient between referral and treatment for urgent eating disorder treatment who were referred from a GP service to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: No records.
2019: No records.
2020: No records.
2021: No records.
2022: No records.

b) I would like to know the longest maximum wait time (in days) for adult patients between referral and treatment for urgent eating disorder treatment who were referred from a GP service to your adult eating disorder services. I would like this one figure for each calendar year from 2018 to 2022?

Answer: 2018: No records.
2019: No records.
2020: No records.
2021: No records.
2022: No records.
