**Request:**

**Question 1:** I would like to make a Freedom of Information (FOI) Request, requesting a list of all the doctors and consultants working within the East London NHS Foundation Trust, including their full name and contact email addresses.

Answer:

**Section 40 – personal information**

The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 40 for the FOI Act states:

*(2) This exemption covers the personal data of third parties (anyone other than the requester) where complying with the request would breach any of the principles in the UK GDPR.*

The name(s) and email address(es) you have requested relate to individuals and are therefore deemed to be personal data. We can therefore not provide this information, as it would contravene the Data Protection Act 2018 / UK GDPR.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
