Request: Dear Sirs,

I am writing to formally request an internal review of the response I received to my Freedom of Information Act (FOI) request.

In my original FOI request, I specifically sought information on the "Outreach Support Worker North Hackney CMHT Recovery Team." In response to my request, I was informed that the trust does not hold the information for the mentioned position and is therefore unable to provide a response.

However, I have evidence in the form of an email which clearly states his position as an "Outreach Support Worker" within the North Hackney CMHT Recovery Team.

Given this evidence, I kindly request that the trust conduct a thorough internal review of my FOI request and the provided response. It is of utmost importance that accurate information is provided under the FOI Act.

Answer: The Trust has conducted a further search and can confirm that we do not hold a job description for "Outreach Support Worker".
