Request: I am writing to request, under the Freedom of Information Act 2000, the following:

Question 1: How many cancer appointments have been cancelled at your trust due to industrial action since 1st December 2022:

Answer: The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide cancer treatment services as described in this request. We are therefore unable to provide a response.

Question 2: Which type of cancer had the most cancelled appointments and how many was that?

Answer: Not applicable.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
