Request: I am writing to ask if the Trust collects data on people treated for obsessive compulsive disorder (OCD)? I want to know if the Trust collects data that explicitly specifies OCD as the condition being treated.

Answer: The Trust records OCD as a diagnosis but we do not specifically record data on OCD as the condition being treated.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
