**Request:** I am seeking all the Brand names of Lifts which are currently in use.  
Please provide.

**Answer:** The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 12(1) of the Freedom of Information Act 2000 states:

*Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit*

The Trust has reviewed your request for information and in order to collate this information, staff would have to obtain the information from each service in the Trust as it is not held centrally. It is estimated this will take eight weeks to collate.

Therefore, the Trust is unable to comply with this particular part of your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
