Request: The average number of people on the waiting list for access to CAMHS mental health services by East London NHS Foundation Trust in April 2018, April 2019, February 2020, April 2020, April 2021, April 2022 and April 2023.

This information should be made available to me in electronic form if possible.

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust does not record waiting lists from previous years as requested and is therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.
We care . We respect . We are inclusive
