Request: Under the freedom of information act, please provide the following information:

Reports of alleged antisemitism (where complainant perceived antisemitism might at play, in any format, as part of the complaint) where the complaint was made by doctors or any other medical professional of any kind about other doctors within your trust. That either led or did not lead to further action.

State the number of complaints received. Broken down as following:

- After October 7th, 2023 - Jan 7th 2024
- July 7th 2023 – October 7th 2023
- April 7th 2023 – July 7th 2023
- Jan 7th 2023- April 7th 2023
- Whole of 2023
- How many of these led to any kind of further action by your trust?
- Whole of 2022
- How many of these led to any kind of further action by your trust?

Clarification:

When I say “*how many of those led to any kind of further action by your trust*” that I am simply asking for the numbers leading to further action from the total figures for 2023, and 2022, for both antisemitism, and islamophobia. Not for the broken 3-month figures.

Figures for both antisemitism and islamophobia.

Answer: Please see table below:

Date	Number of complaints
October 7th, 2023 - Jan 7th 2024	0
July 7th 2023 – October 7th 2023	0
April 7th 2023 – July 7th 2023	0
Jan 7th 2023- April 7th 2023	0
Whole of 2023	0
Whole of 2022	0
