Request:

Question 1: I am reaching out to different Trusts to ask if there are any mental health liaison practitioners in your Trusts that are Occupational Therapists?

Answer: Based on our data the Trust has no employees who are listed as being an Occupational Therapist with the job title mental health liaison practitioner.

Question 2: If so, would it be feasible to share this email/my details with them, or, would you be able to respond to my email with how many Occupational Therapists you have within your mental health liaison teams (if any) and contact details for their teams?

Answer: Not applicable.
