25 March 2024

Our reference: FOI DA5283

I am responding to your request for information received 21 March 2024. This has been treated as a request under the Freedom of Information Act 2000.

When an organisation receives a request for information under the Freedom of Information Act, it is allowed under the Act to apply a blanket exemption to this where it has concluded that providing a response would take in excess of eighteen hours. When the cost of compliance and extracting information would exceed eighteen hours, a cost limit of £450 can be applied. This is explained in Section 12 of the Freedom of Information Act 2000 and is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to eighteen hours work.

Having reviewed your request, the Trust has noted that it would not be able to provide all the information requested within the eighteen hours specified in the Freedom of Information Act 2000. However, in this instance and in order to assist you, we have provided a partial response to your request as per below.

If you wish to refine your request to comply with the eighteen hour time limit, please do get in touch.

I am now enclosing a response which is attached to the end of this letter. Please do not hesitate to contact me on the contact details above if you have any further queries.

Yours sincerely,

Keshia Harvey
Senior Information Governance Manager - Compliance

Request: I would like to request full organisational structure charts (band 8a and above) for all departments to include names, job titles and contact details.

Answer: The Trust has reviewed question your request for information under the Freedom of Information Act (FOI) 2000.

Section 12(1) of the Freedom of Information Act 2000 states:

Section 12(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit

The Trust has reviewed your request for information and in order to collate this information, staff would have to contact every team within the Trust to establish if they have structure chart, outlining band 8a staff and above. It is estimated that this would take over eighteen hours.

Therefore, the Trust is unable to comply with this particular part of your request as the cost of compliance and extracting your exact requirements would exceed the appropriate cost limit of £450 which is specified in Section 12 of the Freedom of Information Act 2000. This is based on a rate of £25 per hour, regardless of the rate of pay of any individual involved in the retrieval of requested information, and equates to 18 hours work.

If there is a specific team you require information for, please let us know.
