**Request:**

**Question 1: The (a) number and (b) proportion of patients who were diagnosed or had cancer ruled out within 28 days of an urgent referral by their GP at your trust in March 2024.**

**Answer:** The Trust has reviewed question 1 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide cancer diagnosis services as described in this request. We are therefore unable to provide a response.

**Question 2: The (a) number and (b) proportion of patients admitted, transferred or discharged within four hours at your trust in March 2024.**

**Clarification: part (2) is in reference to all patients presenting at A&E.**

**Answer:** The Trust has reviewed question 2 of your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—

(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide A&E services as described in this request. We are therefore unable to provide a response.
