**Request:** I am writing to request, under the Freedom of Information Act, the longest wait for treatment any patient has experienced at your trust, while on an Ophthalmology pathway, in each of the last five years.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.

Answer: The Trust has reviewed your request for information under the Freedom of Information Act (FOI) 2000.

Section 1(1) of the Freedom of Information Act 2000 states:

*Any person making a request for information to a public authority is entitled—  
(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and  
(b) if that is the case, to have that information communicated to them.*

East London NHS Foundation Trust is primarily a Mental Health and Community Health Trust and as such does not provide ophthalmology services as described in this request. We are therefore unable to provide a response.

We promise to work together creatively to: learn 'what matters' to everyone, achieve a better quality of life and continuously improve our services.  
**We care . We respect . We are inclusive**
